Subject: RE: SCANA

Dear Mr. Moffat:

This is to acknowledge receipt of your Comments to the Public Service Commission of South Carolina. Your Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Inc. for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Inc., as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you may specifically follow Docket No. 2017-370-E at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/116542>.

If we may be of further assistance to you, please do not hesitate to contact us.

Hope H. Adams

Subject: SCANA

Mr. Randall: It's clear to me from the article in the paper today that Jay Lucas is more interested in protecting SCANA shareholders than holding the company accountable and protecting the ratepayers. SCANA belongs in Chapter 11 bankruptcy with competent trustee, and they would emerge with manageable debt and multiple suiters. The ratepayers wouldn't have the additional debt to worry about. Of course the stockholders will lose more money as they should. It happens every day on Wall Street. Executives go to jail every day for investor fraud on Wall Street. WHY NOT on 12th Street ?
